

Term Life and Accidental Death & Dismemberment (AD&D) Insurance

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Texas Christian University provides the following Term Life and AD&D coverage for you:

Texas Christian University provides 1 times annual earnings up to \$1,000,000 of Life and Accidental Death & Dismemberment insurance to all eligible full-time employees. The minimum benefit is \$25,000 for both Life & AD&D.

Voluntary Life Buy Up Option:

As a Texas Christian University employee, you may also purchase additional Life and AD&D insurance that is conveniently payroll deducted. If you or your eligible dependents did not enroll when you were initially eligible, medical questions will be required for any coverage elected during the annual enrollment. If you're currently participating and looking to increase coverage, only increases above 1 level or above the guarantee issue limit will be subject to medical questions.

*Newly hired employees in their initial eligibility window have access to the guarantee issue amounts.

Additional coverage available to purchase:

If you are actively at work at least 30 hours per week, you may apply for additional coverage for:

In order to purchase coverage for your dependents, you must buy coverage for yourself. Coverage amounts cannot exceed 100% of your coverage amounts.

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 80% of your life insurance benefit (up to \$500,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Worldwide emergency travel assistance — One phone call gets you and your family immediate help anywhere in the world, as long as you're traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.
